sports and learning center

“The karate program for the last 4 years has been simply amazing. The influence & support from Master O’Connor & Mr. Fogarty, as well as previous instructors, have made this experience wonderful for our family. Thank you for all you have done & continue to do for those kids!”

-Sarah Casey

“The Athletic Edge community is honestly just incredible. You get to know other members & the office staff- I feel like you almost gain sort of a ‘tribe’ & it’s really cool! I really enjoy the facility- with the different machines, free weights & the turf, you have a ton of freedom as far as workout style & that’s great! I regularly switch up what I do & that’s easy to do at AE!”

-Nicole Taylor

“My children are treated as valued members of ABK. All of the coaches & staff know them & greet them by name. They feel like they belong. The coaches are very nice & helpful- this is a great place! We are lucky to have such a wonderful facility & group of people available for our children.”

-Kendall Ferguson

“My daughter has been attending ABK in one form or another for about 4 years now. ABK has helped her build strength, confidence & blossom into the awesome young lady she has become. Jordan & the rest of the staff at ABK know her well & treat her like family. I couldn’t have asked for more.”

-Carla Selby

“ABK is where we spent a great deal of time in our children’s early years. All 4 took gymnastics. The benefits of the physical exercise, team building, & mental drive have proven to be vital in their transition into young adulthood. We work out at the Court House & not only enjoy exercising together, but we feel the benefits both physically & mentally are lifechanging! We love the family atmosphere, cleanliness, & professionalism. It’s a no-judgement zone where we feel comfortable spending time & look forward to each & every workout! We are so happy to have access to such an amazing facility! We would highly recommend ABK/Athletic Edge/Court House to anyone looking for a fun, safe family fitness center.”

-Randy & Karla Rothfus

“We adore the preschool teachers at ABK! Mrs. Rhiannon & Mr. Jordan, & all the other wonderful preschool teachers have been so amazing. My two kids look forward to preschool everyday, have so much fun, feel so cared for & are learning so much! We are so thankful to have ABK as our preschool. It really is the best!”
